**Say the Problem**

Read the stories below. Help each character say the problem respectfully.

**Story 1: The Noisy Neighbor**

Nina and Carson sit by each other in class. Carson is clicking his pen during silent work time.

Nina	Carson
 <p data-bbox="228 869 753 936">Stop clicking your pen! You're making it impossible for me to focus.</p>	 <p data-bbox="875 869 1346 898">Get over it! It helps me think better.</p>

Help Nina and Carson say the problem respectfully.

The problem is \_\_\_\_\_  
\_\_\_\_\_.**Story 2: The Dance Dilemma**

Grace and Tyra are best friends. They made up a dance routine to perform for their school dance club. It's time to get ready for the performance.

Grace	Tyra
 <p data-bbox="207 1671 773 1738">Haven't you ever watched dance crews on TV? They always wear matching outfits!</p>	 <p data-bbox="824 1671 1395 1738">That's a terrible idea! Besides, I brought my lucky shirt. I never go on stage without it.</p>

Help Grace and Tyra say the problem respectfully.
