

Environmental Factors that Contribute to Bullying

Name: _____

Date: _____

Vocabulary

- **Bullying** (n.) intentional physical, verbal, or social aggression. It's often repeated over time and occurs when there's a real or perceived power imbalance.
- **Harassment** (n.) aggression against someone based on a real or perceived characteristic they have, such as their race, religion, sex, or gender. It's serious enough to create an unsafe environment and is a form of discrimination.
- **Social factors** (n.) common beliefs, attitudes, and behaviors of a particular group or community
- **Environmental factors** (n.) the physical space and any rules and regulations that apply within an area

Warm-Up

Where was the last place you experienced, witnessed, or heard about bullying happening at school? This should be a physical place, not online. Don't share any personal details of anyone involved.
